30 hour offer

Who is eligible for 30 hours of funding?

All children aged 3 and 4 will continue to be eligible for 15 hours of government funded childcare for 38 weeks of the year (570 hours). As Wise Owls Nursery School is open 48 weeks per year we can stretch your entitlement over all these weeks. This means your child can receive up to 24 hours EYFE every week they attend and your fees will remain constant throughout the year.

Who is eligible for 30 hours of funding?

- Children of a single parent who work, on average, a weekly minimum equivalent of 16 hours a week at national minimum wage or national living wage and does not earn more than £100,00 per year.
- Children of a couple, BOTH of whom earn, on average, a weekly minimum equivalent of 16 hours a week at national minimum wage or national living wage minimum of 16 hours a week with neither independently earning more than £100,000 each.

How do I apply?

The government has launched a website where parents can register and enter their personal details, you will then receive confirmation of eligibility. All eligible parents will then receive an 11-digit code that they must share with their chosen childcare setting. The funding can be used at more than one setting. At Wise Owls Nursery School, we have decided that we WILL be offering the 30 hours of funding to eligible 3 and 4 year olds over a stretched offer.

<https://www.childcarechoices.gov.uk/>

Please follow the link above to register for a HMRC portal account and to register for 30 hours funding. The website also lists lots of helpful information on any help you may be eligible for towards your childcare costs. By setting up an account or by using an existing government gateway account you will receive your eligibility code. Once received please pass this on to Wise Owls along with your NI number and child's DOB. All details will be validated by Brighton and Hove Council before confirming your nursery place.

WHAT happens if my circumstances change?

Parents will have to go onto the government's website every three months to confirm that their circumstances have not changed. If there has been a change, for example, the loss of a job, they will no longer be eligible. However, there will be a grace period that will allow your child to continue having their 30 hours free childcare while you find another job. Whatever your circumstances, all three and four year olds will still be entitled to 570 hours a year of free childcare
